

Corporate Governance

We offer a practical and functional approach to our clients' corporate governance needs and challenges.

Holtzman Vogel's Corporate Governance Group is a leading practice in the nation representing high profile corporate entities as they manage risk and execute the internal policies necessary to survive the most aggressive scrutiny. The group provides comprehensive services related to organization, board structure, governance policies, ethics rules, and corporate reporting.

Our attorneys bring a practical and functional approach to our clients' corporate governance needs and help craft long term solutions to management challenges. We routinely provide counsel to:

- Non-profits
- Advocacy groups
- Corporations
- Officers and directors
- Consulting firms
- Political campaigns
- Political committees
- Trade associations

Our attorneys advise clients on:

- Annual meetings
- Annual reports
- Articles of Incorporation
- Audits
- Board of Directors meetings
- Bylaws
- Compensation agreements
- Dissolution of entities
- Environmental, Social and Governance (ESG) matters
- Operating agreements
- Selection and formation of entities
- Shareholder agreements
- Shareholder meetings
