## **Eric Dávila**

### **Director of Information Technology**

Eric Dávila serves as the Director of Information Technology at Holtzman Vogel, leading the firm's technology strategy and overseeing all IT operations. Eric has over 15 years of experience driving technology strategy, service delivery, and operational excellence across complex, multi-office environments. Eric specializes in aligning IT initiatives with business objectives to improve efficiency and strengthen cybersecurity.

Prior to joining Holtzman Vogel, Eric was a Regional IT Manager at an international law firm where he specialized in building high-performing teams delivering white-glove IT service in a fast-paced environment. Eric has also managed the IT operations for a boutique, DC-based litigation firm. Eric holds a Computer Engineering degree from the Georgia Institute of Technology and is a graduate of the Carey School of Business at Johns Hopkins.

### **Education**

- Georgia Institute of Technology, B.S., Computer Engineering
- Johns Hopkins University, Carey School of Business, M.B.A.
